Suggested Material for Course (not mandatory):

This material can be found at most major bookstores.

Mosby's Comprehensive Review for Veterinary Technicians; Tighe
Clinical Anatomy & Physiology for Veterinary Technicians; Colville & Bassert
Clinical Textbook for Veterinary Technicians; McCurnin

Applications for the June 17, 2010 test are due to the Arizona State Veterinary Medical Examining Board 65 days prior to exam date.

You can download the application at www.vetboard.state.az.us/forms.html.

Applicants will receive a packet from the Examining Board after the application has been processed. If you have received this packet, please

bring it with you to the first class. **Please note that the Veterinary Examining Board will require all applicants to be a graduate of an accredited 2 year Veterinary Technology Program before they can sit for the VTNE beginning in January 2011. You will not be permitted to sit on experience only after the 2010 deadline.**
