### Suggested Material for Course (not mandatory):

This material can be found at most major bookstores.  
*Mosby's Comprehensive Review for Veterinary Technicians*; Tighe  
*Clinical Anatomy & Physiology for Veterinary Technicians*; Colville & Bassert  
*Clinical Textbook for Veterinary Technicians*; McCurnin  
 Applications for the June 15, 2010 test are due to the Arizona State Veterinary Medical Examining Board 65 days prior to exam date.  
 You can download the application at [www.vetboard.state.az.us/forms.html](http://www.vetboard.state.az.us/forms.html).  
 Applicants will receive a packet from the Examining Board after the application has been processed. If you have received this packet, please bring it with you to the first class. **Please note that the Veterinary Examining Board will require all applicants to be graduates of an accredited 2 year Veterinary Technology Program before they can sit for the VTNE beginning in January 2011. You will not be permitted to sit on experience only after the 2010 deadline.**

### Thank you to our Annual Sponsors:
